### ***If Driving to Pittsburgh:***

- Please arrive in Pittsburgh on the day before the seminar (Monday), no later than 10:00 pm if at all possible. The Guest Houses will not be available for check-in on Monday until 3:00pm.
- Please inform Renee of your approximate arrival time to Pittsburgh.
- You can leave any time after the seminar is over on Thursday at 12:30pm.
- SCS will provide you with your lodging address 1 week prior to the Seminar so that you can print out directions.
- If you need additional help with driving directions, give SCS a starting point address and they will send you directions.

  - c. If arriving LATER THAN 11:30 p.m., instructions and a key will be left on the door of 840 Rolling Rock Road.
  - d. Each Guest House has lighted signage of the house numbers.
    - 840 Rolling Rock Road (the main Guest House)

    - 843 Rolling Rock Road (across the street from the main Guest House)
  - e. When arriving late, and throughout your stay, please be conscientious of the other guests in the house.
  - f. There is no overnight on-street parking. Staff at the guest houses will assist you with parking in the guest house driveways.

### ***Transportation from Guest Houses to SCS Offices***

SCS staff and guests with cars will shuttle people to/from the SCS offices and any evening events. If you arrive in a car, you may be asked to help accommodate others.

### ***Transportation from Hotel to SCS Offices***

The Crowne Plaza provides a limited shuttle service to/from the SCS offices. The shuttle needs to be booked in advance for a ride in the morning and afternoon to prevent a 30-60+ minute wait time. Phone: 877.270.1393. However, the shuttle service can often be booked for other hotel guests so SCS will ensure you have transportation to/from the hotel if that is the case. Typically, SCS staff and guests with cars will shuttle people from the SCS offices in the afternoon/evening after the seminar and any evening events.
