Transportation from Guest Houses to SCS Offices

SCS staff and guests with cars will shuttle people to/from the SCS offices and any evening events. If you arrive in a car you may be asked to help accommodate others.

Transportation from Hotel to SCS Offices

The Crowne Plaza provides a limited shuttle service to/from the SCS offices. The shuttle needs to be booked in advance for a ride in the morning and afternoon to prevent a 30-60+ minute wait time. Phone: 877.270.1393. However, the shuttle service can often be booked for other hotel guests so SCS will ensure you have transportation to/from the hotel if that is the case. Typically, SCS staff and guests with cars will shuttle people from the SCS offices in the afternoon/evening after the seminar and any evening events.
